1.0 Introduction

This scope has been produced in line with the requirements of the latest management system standards ISO14001: 2015 and ISO45001: 2018 Clause 4.3. We will ensure that it is made available to all interested parties.

2.0 Scope of our Management System

Scope: Manufacture and supply of swimming pool equipment and services.

Manufactured products include, but are not limited to, Water Treatment (chemicals for pools), Covers, Liners, Pipe and Fittings, Pumps, engineered products including domestic and commercial Reel Storage Systems, Ladders and Handrails.

Founded in 1972, Plastica is the leading independent pool products manufacturer in the UK. Based at our 13,000 square metre factory and our additional 464 square metre unit in St Leonards on Sea where we manufacture Wooden Pools, Solar, Heat Retention and Winter Debris Covers, Reels, Pool Liners, Relax Water Treatments and Stainless Steel and bespoke parts, such as Ladders and Handrails and in-house ABS pipework and much more. Our Perimeter House facility is a Lower Tier COMAH site due to the quantity of environmentally hazardous swimming pool chemicals held in stock.

We understand that an essential requirement of the continuing maintenance and development of our organisation's performance and objectives are the installation of an integrated management system registered to the requirements of ISO14001:2015 and ISO45001:2018 and Control of Major Accident Hazards Regulations 2015 (COMAH).

The Management System is designed to meet the requirements of integrated management system ISO14001:2015, ISO45001:2018 and Control of Major Accident Hazards Regulations 2015 (COMAH).
