# DOMESTIC LEADING EDGE COVER

Cover your pool the easy way

- **Enables you to cover your pool quickly**

Simply use the pull-cord to pull the cover from your reel system smoothly onto the pool. Typically your pool can be covered in less than a minute.

- **Strong and durable**

Designed to outlast the life of your solar cover. Suitable for pools up to 24ft.

- **Simple to fit**

Can be supplied pre-fitted with a new Solar Cover. Alternatively, can be easily fitted to your existing solar cover, supplied with fixing kit and instructions.

- **Available in blue or black**

Two different colourways to suit your swimming pool.

# DOMESTIC LEADING EDGE COVER

- **Easy to install**

The Plastica leading edge is a DIY product which can be installed easily on new or existing domestic pool covers. It comes with all the necessary fixings and pulling cord.
