POOLSAVER™ MANUAL SAFETY COVER

The Poolsaver™ is a high quality, low priced manual safety cover that offers great protection for children and animals and against leaves and other debris. Its tough construction ensures it will safely support up to 100kg as per the latest French safety laws.

Available in five colours – blue, pastel green, green, and beige. You can choose the colour that best suits your swimming pool and its surroundings.

The high quality stainless ratchet straps help achieve almost effortless tension of the Poolsaver across the pool.

Rolltrot Cover Winding System
